ACT Parks and Conservation Service

In Canberra we are surrounded by nature. Birds sing in our backyard trees, insects dance in our grasslands, and platypus splash up and down our rivers.

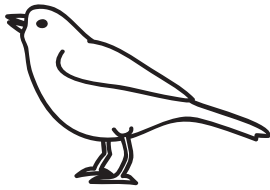

Our environment is bursting with life!

Are you able to find everything on this list?

Before your start

- » Find a natural area, park or even your backyard
- » Don't pick up flowers, sticks or rocks
- » Only leave your footprints behind

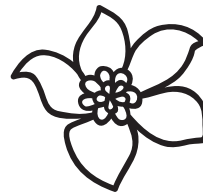

Bird

Tree bark

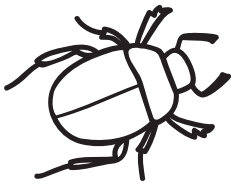

Flower

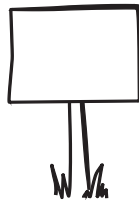

Water

Bug

Sign

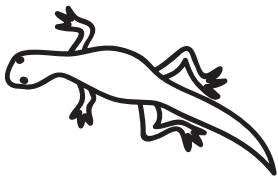

Moss

Feather

Native animal

Footprints

Rock
